3. Risk Factors

Risks identified based on deal structure, property type and market conditions.

4. Hidden & Transaction Costs

Costs frequently overlooked in flip budgets. Includes regulatory and compliance items.

5. Contingency Guidance

A minimum 15% contingency is recommended for this property — equivalent to £5,700 on the £38,000 renovation budget. Given the pre-1939 construction, a 20% contingency (£7,600) is advisable. This should be held in a separate account and only drawn upon for confirmed additional works, not as a buffer for poor initial budgeting.
